II. CSTB RESPONSIBILITIES

- A. Determine eligibility of the Trainee and occupation.
- B. Perform an initial assessment to include both informal and structured assessments conducted by the WIOA Work-Based Learning Program Staff. These assessments measure the job seeker's career interests and aptitude, identify transferrable skills, and provide career guidance that is essential for the job seekers transition to employment or reemployment.

III. EMPLOYER RESPONSIBILITIES

- A. Employer must not make or have made a hiring decision prior to participant becoming eligible for the OJT program through CSTB.
- B. The Employer shall hire the Trainee on the Start Date (as set forth in each OJT Training Form) as a W2 employee and a member of the Employer's regular permanent work force. The Employer agrees not to hire or retain Trainee as an independent contractor who would receive a 1099 in lieu of a W2.
- C. The Employer agrees to retain the Trainee as a permanent employee at the End Date (as set forth in each OJT Training Form), for a minimum of six (6) months, unless Employer can show that the Trainee has failed to meet the minimum level of performance required for the job title in which the person was trained.
- D. The Employer agrees to compensate each Trainee at the rate, including periodic increases, as other persons employed by the Employer in the same or similar jobs, and to provide each Trainee with the same terms of employment, insurance coverage, working conditions, pay and fringe benefits, accorded to other employees presently in the Employer's workforce. - G. The Employer agrees not to hire any Trainee to any position when the same or substantially equivalent position is vacant due to a hiring freeze, layoff or when the regular employee has been bumped and has recall or bumping rights to that position pursuant to the Employer's personnel policy or a collective bargaining agreement.
- H. The employer agrees funds will not be used to directly or indirectly aid in the filling of a job opening which is vacant because the former occupant is on strike or is being locked out in the course of a labor dispute, or the filling of which is otherwise an issue in a labor dispute involving a work stoppage.
- I. The Employer agrees that no officer, employee, agent or representative of the Employer has charged or shall charge a Trainee a fee for the placement or referral of such Trainee in or to an OJT position funded under this Contract.

Such assistance may be used for such employment or training only when the assistance is provided indirectly within the meaning of the Establishment Clause of the U.S. Constitution, and not when the assistance is provided directly. Assistance provided through an Individual Training Account is generally considered indirect, and other mechanisms may also be considered indirect. See also 20 CFR 667.275 and 29 CFR 37.6(f)(1). 29 CFR part 2, subpart D also contains requirements related to equal treatment in Department of Labor programs for religious organizations, and to protecting the religious liberty of Department of Labor social service providers and beneficiaries. - N. The Employer shall not discriminate against any person, applicant or employee employed in the performance of this Contract, or against any applicant for employment because of race, color, national origin (including limited English proficiency [LEP]), religion, sex, sexual orientation, gender identity, marital status, age, disability, political affiliation, or belief, on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or any other basis prohibited by applicable law. Without limiting the foregoing, the Employer agrees to comply with all federal, state, and local laws and regulations, including all laws related to employment such as the Fair Labor Standards Act.

- Q. The Employer shall provide a copy of the grievance procedure that is used to handle any grievances or complaints that the participant may have. If the Employer does not have a grievance procedure, the Employer shall use the Workforce Grievance/Complaint and Whistleblower Process included within Applicant packet. The Employer must advise all participants of their right to appeal through the grievance procedures.
- R. The Employer is solely responsible for any licenses, permits or requirements necessary to employ the Trainees in its business.
- S. The Employer may not assign or subcontract its training duties hereunder, or its rights or interest in this Contract.
- T. The Employer agrees to routine monitoring and communication with the CSTB Work-Based Learning Program Staff regarding the process of the participant relating to the OJT Training Plan, progress reports, midpoint in training and completion of the OJT to capture measurable skills gained during participation.
- U. The Employer may not place an OJT participant in a home-based business.

IV. TRAINEE SKILLS EVALUATION

- A. On a monthly basis, the trainee's acquisition of the required occupational skills on the Training Plan will be evaluated by the employer/supervisor using the OJT Training Monthly Progress Report. This is an opportunity for the employer/supervisor and the trainee to interact and review the skills progress made during the review period.
- B. The OJT Training Monthly Progress Report will also be used at the conclusion of training to document the mastery of the required skills. This will be utilized to document Measurable Skills Gained for WIOA program participants as it outlines the validation of skills and competency attainment for participants.
- C. The trainee's progress under an OJT contract will be formally monitored by the CSTB Work- Based Learning Program Staff monthly during participation in the OJT program. Periodic communication with the OJT employer/supervisor and the trainee during the training period is required to insure the successful completion of the training.

V. PERFORMANCE

Employers are expected to maintain a specific OJT completion rate and a retention ratio as defined herein. Employers who do not meet these performance measures will be suspended from additional OJT opportunities for a period of (6) months.

- A. *OJT Completion and Retention - WIOA*: at least 80% of OJTs executed must be successful (to completion) for businesses to continue to participate in the OJT program. This means the entire OJT period is completed and the trainee is retained after the training period.
- B. *OJT Completion and Retention - WTP*: at least 60% of OJTs executed must be successful (to completion) for the business to continue to participate in the OJT program. This means the entire OJT period is completed and the trainee is retained after the training period.
- C. Exceptions to the OJT completion rate may be made for a trainee's release involving mitigating circumstances that may result in a "neutral termination." Mitigating circumstances may include circumstances such as the OJT trainee resigns for higher wage employment; death of OJT trainee; or extreme circumstances out of the business's control. Neutral terminations will not be considered in determination of retention ratio and must be clearly documented and approved.
- D. Retention is measured on OJT Contracts based on completion dates within the previous twelve (12) months. Failure to meet performance standards may result in a business's suspension from the OJT program.
- E. A suspended business may be considered for additional OJTs in one of two ways (whichever occurs first):

1. After six (6) months from exit date of most recent unsuccessful OJT or non-retained OJT trainee, **OR**
2. Business demonstrates a willingness to allow CSTB to screen and place candidates to non-OJT jobs, and those hires result in a positive retention at the end of six (6) months from hire date.

VI. PAYMENTS

- A. On the terms herein, CSTB shall reimburse the hourly rate of each Trainee as set forth in each signed [Individual OJT Reimbursement Form](#), attached and incorporated herein (the "Reimbursements") and based on the table below:

Employer Size	CSTB Reimbursement
50 or less employees	Up to 75 percent of Trainee wage rate
51 or more employees	Up to 50 percent of Trainee wage rate

- B. Reimbursements will be based on a maximum 40-hour work week and will only be paid based on actual hours worked. CSTB will not be responsible for Reimbursements that exceed 40 hours in a week.
- C. OJT funds can not be utilized to pay holidays, sick leave, vacation, overtime hours, fringe benefits, training related supplies and/or equipment, work performed outside of the OJT contract.
- D. CSTB will pay Reimbursements to the Employer upon receipt of a signed Attachment II: Individual OJT Reimbursement Form in the form of that attached hereto (each, a "Reimbursement Form"), together with copies of the documentation referenced therein. Documentation should be submitted within 15 days of completion of training. Failure to submit within this timeframe may result in non-payment.
- E. If this Contract terminates or expires, the Employer must submit all Reimbursement Forms and necessary documentation within 15 days of the expiration or termination date in order to receive Reimbursement. CSTB is not responsible for any Reimbursements if such Reimbursement Forms and documentation are not received within such timeframe.

I. PWE PROGRAM

- A. At Contract execution, the Worksite Host and CSTB shall enter an [Initial Work Based Training Outline](#) (Form WBT-102a). And, from time to time during the Term of this Contract, as a Trainee is placed in a PWE program with the Worksite Host, the Trainee, Worksite Host and CSTB shall enter a [Final Work Based Training Outline](#) (Form-102b). Both of which are attached hereto and incorporated herein by reference.

- C. This Contract must be completed and signed by CSTB and Worksite Host prior to a CSTB participant's placement with the Worksite Host. In addition, it is understood by CSTB and the Worksite Host that no legal employer-employee relationship exists between the Worksite Host and the participant.

PWE participants will be compensated for actual time worked and are not eligible for holiday pay.
- D. Assist the Worksite Host site supervisor in resolving any problems concerning the participant(s) performance on the job.
- E. Hear all grievances concerning the Youth paid work experience program performance at the job site in accordance with CSTB grievance procedures.

- G. Conduct bi-weekly onsite Youth PWE Worksite monitoring visits with youth and direct worksite supervisor(s) to evaluate the progress of the paid work experience program.
- H. Monitoring of the activities under this Contract at the host work site(s) at reasonable hours and as frequently as the authorized representatives of CSTB may deem necessary in order to assure the Work Experience Program is constructive for the participant and that all provisions of this Contract are being carried out. Require corrective action within specified time periods or remove participant(s) from host work site(s) without prior notice other than a written notification to be delivered to the Worksite Host at the time of the removal. This action may be taken when CSTB, the Governor of the State of Florida or the U.S. DOL finds serious or continual violations of rules or laws, where violations are not being remedied.

III. WORKSITE HOST RESPONSIBILITIES

- U. Worksite Host shall inform CSTB Contact immediately should an accident or injury occur at the job site affecting or involving a CSTB participant(s).
- V. No participant may participate in a work experience unless the participant is referred to Worksite Host by CSTB in accordance with the terms of this Contract.
- W. Implement administrative controls to ensure that costs for wages and other costs that are funded under this Contract are not being paid by other federal, state, or local programs to eliminate the possibility of duplicate funding.
