Low Income Standard Verification (185% of Poverty)

Participant Name:___________________________________**Date**:___________**Last 4 SSN**:_______

The following criteria automatically support the ACE youth meeting the 185% Income Standard due to the calculation used by agency of eligibility to include the WIOA Program (70% of LLSIL Standard) or DCF (Receipt of SNAP/Food Stamps 130% of Poverty) or Hillsborough County School (Free and Reduced Lunch 135%/185% of Poverty).

- ☐ **Meets WIOA 70% LLSIL**
- ☐ **Receives SNAP benefits currently or within the last 6 months**
- ☐ **Receiving Free or Reduced Lunch benefits**

Note: By checking one of the applicable income standards above and providing the required verification within the youth intake, staff do not need to recalculate the 185% Income Determination shown below.

Low Income Standard Verification (185% of Poverty)

Support Documentation: https://www.fns.usda.gov/snap/recipient/eligibility

In most cases, your household must meet both the gross and net income limits described below or you are not eligible for SNAP and cannot receive benefits.

Gross income means a household's total, non-excluded income, before any deductions have been made. **Net income** means gross income minus allowable deductions.

A household with an elderly or disabled person only has to meet the net income limit, as described on the elderly and disabled page.

If all members of your household are receiving Temporary Assistance for Needy Families (TANF), Supplemental Security Income (SSI), or in some places other general assistance, your household may be deemed “categorically eligible” for SNAP because you have already been determined eligible for another means-tested program.

The information provided in the table below applies to households in the 48 contiguous states and the District of Columbia that apply for SNAP between **Oct. 1, 2025 through Sept. 30, 2026**

For **2026**, the **current percentage of poverty for SNAP benefits** is based on the **federal poverty guidelines**. The poverty line for a family of three in federal fiscal year 2026 is **$2,221 per month**, which translates to about 130% of the poverty line for a family of four. This means that households must have a gross monthly income at or below **130% of the poverty line** to quality for SNAP benefits.

Table 1: SNAP Income Eligibility Limits - Oct. 1, 2025 through Sept. 30, 2026

7	$5.421.00	$6,376.00
8	$6.036.33	$7,183.33
